October Newsletter

Welcome Aboard

We would like to welcome two new members to our police department. On September 17th, 2012 Charles Mitchell was sworn in by Chief Alan Beach. Officer Mitchell is a former Jasper County Deputy and brings a great amount of local experience to our ranks. On October 17th, 2012 we will be welcoming Richard Guisti to our department. Officer Guisti is coming to South Carolina from Middlebury, Ct where he served and ultimately headed the Town of Middlebury's Police Department.

Department Receives Award

The Port Royal Police Department was recognized by the Beaufort County Drug Abuse Prevention Agency for its 5 years of participation in the Tobacco Compliance Check Program. The program is aimed at insuring businesses in the Town of Port Royal are in compliance with South Carolina's tobacco laws. The award was presented to Chief Alan Beach by Director D.H. Boyne and Prevention Services Director Wade Bishop on September 7th, 2012.

New Office Hours

Beginning October 8th, 2012 we will be implementing a pilot program to extent our office hours to 8:00pm. An officer will be on hand during the extended hours to provide incident and accident reports, finger printing service and take walk in complaints. The program is an effort to make it easier for our busy citizens to obtain police administrative services after typical working hours.

The Police Department's web site will continue to be updated so please visit us at portroyalpd.com .You can also find us on Facebook and Twitter.

Thank you,

Chief T. Alan Beach
